

The third boy's U12 team has been selected. The team members are as follows.

1. All players are expected to attend all star practices on Monday and Wednesday 10:30-12:00 for now but these practise times may change. You will be notified of any changes. We are trying to rejuggle some of the allstar practise sessions to allow more time with the Serbian coaches.

All players must be able to commit to playing in the provincial U12 tournament August 21-23 in Corner Brook. If not interested or unable to be a part of this allstar team please notify me as there are others who are very interested in playing.

[As stated on the registration form, all allstar players are asked to pay 30.00 additional training fee. This fee can be paid to Mark Woodman who will be one of this team's coaches. A receipt will be issued for this fee.](#)
