

## Douglas Quigley Memorial Tournament

The Douglas Quigley Memorial Tournament followed the normal pattern on Saturday when the weather called for rain and, of course, we 'got it'! This time though by playing on the new artificial Turf field, the weather did not interfere with play. True to form, Presentation girls took on their cross town rivals G.C. Rowe, and defeated them by a score of 3 – 0. Scoring for the Presentation team were Megan Dean, Felicia Park and Danielle Walsh. The Presentation Girls won the tournament for the past 4 years.

In the Boys division, a very tight race prevailed when Templeton Collegiate were represented by their strongest team ever the round robin went down to the wire before G. C. Rowe prevailed 1 – 0. This came after Presentation tied G.C. Rowe and Templeton Collegiate.
